RE: D.A.R.E. Courtesy Fundraising Notification

To Chief O'Neal,

What most of us know...COVID-19 has created tremendous challenges for America and the world. Small and large businesses, non-profit organizations, emergency, and medical providers, schools, and, particularly, families with children are suffering immense stress. The pressures include physical and emotional trauma from the loss of loved ones, sickness, loss of jobs and financial stress, and the new experience for millions of parents to balance work with remote schooling of their children.

As a 501 (c)(3) non-profit organization, D.A.R.E. America's D.A.R.E. to KARE fundraising program has launched a new fundraising campaign in which a percentage of funds raised will be donated to aid victims of the Covid-19 in the United States, specially Texas. D.A.R.E. is partnering with Global Giving, a 501(c)(3) non-profit foundation, which will distribute the funds to victims of Covid-19 through its pre-established programs.

D.A.R.E. America's authorized commercial fundraising companies, each having secured local and state permitting requirements, will continue events in your area. . These companies help us raise funds to support the D.A.R.E. program; one hundred percent of the funds go directly to D.A.R.E. and Global Giving to assist us in fulfilling our mission and help stop the virus's spread and give communities on the front lines of the crisis the resources they need to act quickly and protect the most vulnerable. Donations are already helping to:

- Send doctors, nurses, and other front line responders to communities in need
- Get masks, ventilators, and other lifesaving medical supplies to hospitals and clinics
- Deliver essential items to struggling families and older individuals in quarantined cities and refugee camps
- Feed children that rely on school meals as their only source of nutrition
- Support hygiene awareness efforts

- And much, much more to our communities due to Covid-19

Our fundraising companies are leaders among sales and marketing companies and we are proud to be associated with these organizations. The company's staff set up a small table in front of major retail locations with the owners or manager's permission. They will not be in residential neighborhoods, nor will they conduct door-to-door solicitations. Further, they will comply with all applicable local laws, ordinances, and/or permit requirements.

At these event sites, authorized fundraising staff offer adult shoppers the opportunity to donate and support the D.A.R.E. program. Should you wish to obtain information regarding fundraising event locations, or to verify that the company is, in fact, a partner of the D.A.R.E. program, please feel free to call DARE America at 800-223-3273.

Additional detailed information about each fundraising company in your area is available at <https://dare.org/dare-to-kare/>.

All of us at D.A.R.E. America appreciate your support. Since the majority of our staff are former law enforcement officers, we felt you and, in particular, your patrol divisions would appreciate this advance courtesy notice.

Should you have any questions, concerns, or need further information, please feel free to contact me directly.

Thank you.
